Adams County Envirothon

The Envirothon contest is not an actual FFA career development event, but it is an event that is directly correlates with a few of our other CDE's and therefore we compete in this con-

test as well. The purpose of the Envirothon Contest is to stimulate interest and to promote instruction in the areas of aquatics, wildlife management, forestry, and soils as well as, to provide recognition for those who have demonstrated skills and competencies as a result of natural resources instruction. The Adams County Envirothon was held on March 31st at GE Park. Teams competed against several other schools in our county. We had 3 teams, Blue which consisted of Jerilyn Garrett, Molly Bauman, Owen Behr, C.J. Smart, and Red Team which contained Katie Cora, Jordan Crum, Savannah McCoy, Alanys Skaggs, and Gold Team who had Brianna Baldwin, Joe McElwee, Sam Crothers, and Sarah McFarland. After the contest was over GE employees gave a tour of the Park Wetlands to the students. It was a very educational tour and all of our students had a great time.

Envirothon Results

Blue Team– 2nd in county
Gold Team– 8th in county
Red Team– 13th in county

State Public Speaking

Brianna Baldwin competed at the State Public Speaking Contest at Marysville High School on March 5th, 2016. The judges divided the speakers into 2 separate groups, which are Group A and Group B. Brianna was placed in Group A. She placed 3rd in the State Public Speaking Competition.

Brianna represented our FFA Chapter very well in 4 different competitions! Which she held her own throughout. Congratulations Brianna! Whom was speechless with excitement afterward.
