The **Job Interview CDE** is designed for members to practice and demonstrate the skills needed in seeking employment in all areas

of agriculture. Each part of this event simulates real world experiences that students will have when seeking employment in the future by participating in a mock, job interview. Contest activities include completing

an application, writing a cover letter, creating a resume, participating in a mock interview and finishing the evening by writing a follow-up letter. The Sub-District Job Interview Contest was held at PHS on November 3rd, 2016. FFA students competed in four of the five divisions for students to participate in, Division I Freshman- Carlie Cluxton - 1st Place, Division II Sophomore, Jerilyn Garrett - 2nd Place; Division III Junior, Owen Behr - 4th Place; Division IV Senior, Katie Cora - 2nd Place. On November 7th, Carlie, Jerilyn and Katie all competed in the District Job Interview Contest held at Hillsboro High School.

Congratulations!

Broiler Project

Members utilized the broiler project for SAE's, classroom lessons and after school FFA work hours. Many members were able to take part in daily care such as feeding, watering, health checks & pen cleaning. This is our chapters only project where members are able to see the full production cycle from start to finish, therefore serving as a great learning experience.

Broiler Harvesting & Processing

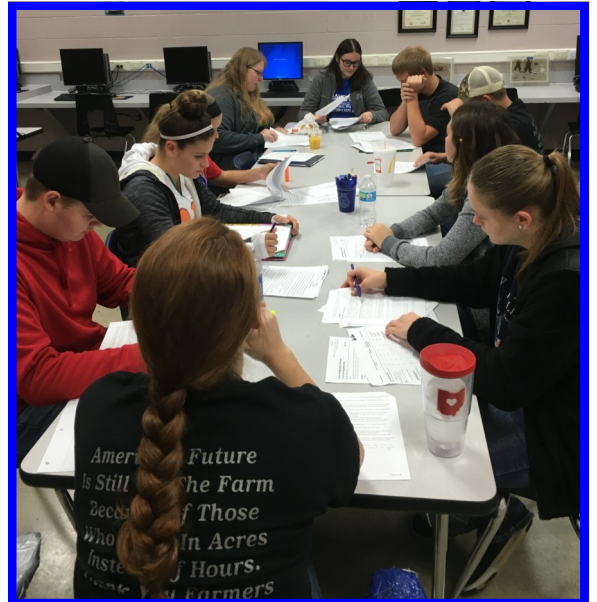

16/17-4

Members participated in assisting in the slaughter and cleaning of 99 broilers. Many students & volunteers finished processing in a record 2 & 1/2 hours. The broiler harvesting & processing is an annual event; we donate many cleaned chickens to our local food pantries & will eat much of it at our annual FFA Banquet.

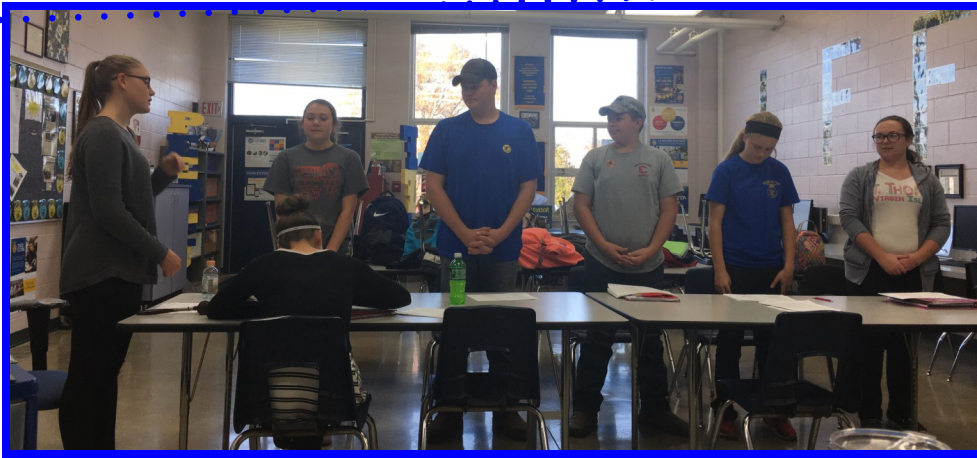

Parliamentary Procedure

Congratulations to the Advanced & Novice Parliamentary Procedure teams for placing 1st at the Sub-District Contest!! These Peebles FFA members participated in the Sub-District Parliamentary Procedure Contest on November 22 at Peebles High School. Both Highland and Adams/Brown Sub-District Teams participated, totaling 17 teams that competed. Two divisions were held, Advanced and Novice; the advanced team is made up of six FFA members while the novice team is made up of seven members. These members must properly conduct a mock business meeting before a set of judges, as well as complete a test over parliamentary procedure knowledge. Novice members include: Anna McElwee, Lexi Shiveley, Carlie Cluxton, Joseph Crum, Sarah Laxton, Kamden Crum & Alyssa Youg. Advanced members include: C.J. Smart, Jordan Crum, Jerilyn Garrett, Brianna Baldwin, Jessica Newkirk & Katie Cora. Both teams will be representing the Adams/Brown Sub-District at the District contest on December 1 at Ross High School.

November Meeting

On November 30th the FFA meeting was held after school, there were 47 FFA Members in attendance. President Jordan Crum lead the discussions about the Speak-Up Workshops, District Parliamentary Procedure, Ag. Reality Program, Fruit Load-Out procedures and how best to utilize our processed Chickens. We discussed upcoming events for the chapter and ended the meeting with refreshments. The next FFA meeting is scheduled for December 20th.

ASK MINTON

Question: Why do we have to sell \$450 worth of fruit? How can it be a grade?

-Concerned Salesmen

Minton's Answer:

I require you to sell \$450 worth of fruit because the money raised from this fundraiser is put towards all the activities that our members participate in throughout the year. I can take a grade for this fundraiser since due to being in an agricultural class, you are also a FFA member.
