National FFA Week

This years National FFA Week was held on February 18th-24th. The purpose of FFA Week is to educate the public about agriculture. In order to educate students about FFA, we set up a display in the cafeteria in which students could walk up to and read facts about the organization. During the week, we hosted a staff appreciation luncheon, conducted a "Best Bob the Builder Contest" voting poll to show the diversity of FFA members in other school organizations, made public service announcements on the radio about FFA, participated in Adams County FFA Week Proclamation with the Commissioners, spoke on the C103 radio show, and raised money for the Highland County Habitat for Humanity by hosting a hat day for students, we raised a total of \$275.00. We also had a drive your tractor to school day,
