Broiler Harvest

Members utilized the broiler project for SAE's, classroom lessons and after school FFA work hours. Many members were able to take part in daily care such as feeding, watering, health checks & pen cleaning. This is our chapters only project where members are able to see the full production cycle from start to finish, therefore serving as a great learning experience. Members participated in assisting in the slaughter and cleaning of the 61 broilers. Members learned to clean out the visceral organs, de-tip/de-leg and understand the importance of utilizing proper harvesting techniques in small livestock.

Broiler Processing

19/20-4

Once birds were harvested, members returned to the school to further process the meat into wings, legs, thighs, breasts & breast tenderloins. Our birds weights varied between 7-12lbs live and weighed from 5-9lbs dressed. Members were able to secure over 700 pieces of meat which weighed in at approximately 300lbs of for our Annual FFA Banquet Meal in May. Our Poultry CDE team was able to use this experience as practice for the Ready to Cook Carcass Placing Class and the Carcass Parts identification Class to prepare for the Poultry Contest. Members were able to gain valuable hands on experience about production, harvesting and processing of a commodity and had a great time learning about the entire process from farm to table, all of this is information that they will use as future consumers.

Georgetown State Leadership Night

On November 14th, members of the Peebles FFA chapter attended the Georgetown Leadership Night. At the

Leadership Night, State Officers Chyann Kendall & Alec Ogg, gave a presentation on why leadership and followership are both important traits to have and how members can become successful by going above and beyond the limits they put on themselves. The Georgetown FFA Officers then led the group in a handful of activities. This was a great experience for our chapter and the members that attended learned many valuable skills.

Parliamentary Procedure

Congratulations to the Advanced Parliamentary Procedure team for placing 1st at the Sub-District Contest!! These Peebles FFA members participated in the Sub-District Parliamentary Procedure Contest on November 25th at Peebles High School. Adams/Brown Sub-District Teams participating were Eastern Brown, Fayetteville, Manchester, OVCTC and Peebles; each advanced team is made up of six FFA members. These members must properly conduct a mock business meeting before a set of judges, as well as complete a test over parliamentary procedure knowledge. These members will be competing in the District Parliamentary Procedure Contest on Thursday, December 5th at Peebles High School.

Advanced members include (Left to Right): Braden Arrasmith, Makenzie Wait, Taylor Cluxton, Carlie Cluxton, Emily French and Alisan Behr.
