## Third Grade Ag. Day

On Friday, March 28, 2015 the Peebles FFA Chapter held the third annual Third Grade Ag Day at the Peebles Elementary. Several members came together to teach the third graders about agriculture in Ohio, and how it impacts their lives. The day consisted of singing an agriculturally related song in which

many of the members embarrassed themselves with a cow dance, refreshments, an Ohio food presentation, and making a craft. The craft was cow based origami which all of the kids enjoyed. The kids asked many agriculture related questions and tested the members knowledge. Both the FFA members and the third graders enjoyed the day thoroughly.

## Adams County Envirothon

The Envirothon contest is not an actual FFA career development event, but it is an event that is directly correlates with a few of our other CDE's and therefore we compete in this contest as well. The purpose of the Envirothon Contest is to stimulate interest and to promote instruction in the areas of aquatics, wildlife management, forestry, and soils as well as, to provide recognition for those who have demonstrated skills and competencies as a result of natural resources instruction. The Adams County Envirothon was held on March 24th at GE Park. Teams competed against several other schools in our county. After the contest was over GE employees gave a tour of the Park Wetlands to the students. It was a very educational tour and all of our students had a great time.
