

# September 2015

# Beef BBQ

**Peebles High School**

September 3, 2015 was the 52nd annual Adams County Junior Fair Beef Barbeque. Annually, this event is held on the first Thursday in September at the Ohio Valley Career and Technical Center. Meals are sold to support the Junior Fair, all proceeds are put back into the Junior Fair program. Each FFA

chapter in the county has different responsibilities, such as digging the pit, cooking the meat, uncovering the pit, making sandwiches, serving meals, and clean-up at the end. Our chapter's duties begin with uncovering the pit and taking the meat out. Members then load the meat onto a truck for transportation to the kitchen where it is unwrapped, and sandwiches are prepared. Select members help complete this task as well as prepare take out bags. This year we had numerous students come out to help with our responsibilities and we greatly appreciate each and every one of them.

# Mum Sale

This year the Old Timer's Day Festival was September 17-20. Our annual Mum Sale was held September 18 at the Bus Garage in Peebles. This year we sold a total of 200 mums. In addition to the mums, we also sold baked goods that were donated by the members; both were profitable. We buy our mums from Raines' Farms. The profit from the mum sale is used to fund our trip to National FFA Convention. We want to thank everyone that came and bought mums from us. We appreciate your support!
