School Garden

The Peebles FFA Chapter has been working all summer on the new school garden. We hope this will add a healthy alternative and promote students to choose fresh produce, as opposed to canned. Students have enjoyed working in the garden and eating the vegetables. We take pleasure in being able to give products from our garden to the Peebles community members. We have planted many varieties and types of vegetables in our garden this year and will hopefully be able to provide more to the community and to our school. This year the members of the Peebles FFA chapter spent many hours of hard work and dedication on painting the flower bed boxes, building trellises for blackberries and repositioning the rocks in the garden. We also have added a variety of new vegetables and fruits, such as a Blackberries, Blueberries, Strawberries, and Asparagus.

Summer Officer Preparations

The new 2016 - 2017 Peebles FFA Officers have been diligently preparing for the next years activities. Each officer has responsibilities throughout the year to ensure that our chapter activities go off without a hitch. President Jordan Crum & Vice President Katie Cora & C.J. Smart are working to update this years National Chapter. Secretary Brianna is working on the secretaries book, keeping accurate records of meeting's & cor-

respondence throughout the year. Treasurer Brooklyn Farmer & Blake Smalley, and Student Advisor Kim Kreal are working on the treasurers book, keeping a record of receipts and disbursements of our account, to be able to help plan and budget our funds for this year. Reporter Jessica Newkirk & Jerilyn Garrett, & Sentinel Katie Setty are working on preparing news articles, news letters & keeping members & parents informed on upcoming events & activities.
