Spring CDEs

Spring CDE season is ending and our Peebles FFA teams have enjoyed every minute of their contests, practices, and bus rides so far. Members have competed at the District 9 Contest at

Miami Trace on March 12th, as well as the Ashland Invitational Contest on March 19th. The state contest however is coming up on April 2nd. The livestock judging team consisted of A.J Cluxton, Tyler Ryan, Noah Ward, Jordan Crum and Brooklyn Farmer. The poultry judging team consisted of Joe McElwee, C.J Smart, Katie Cora and Molly Bauman. Our soul Dairy judger was Molly Bauman. At the District contest the poultry judging team placed 2nd. Congratulations to everybody that judged this season and thanks for all of your dedication!

FFA OFFICERS:

- President - Joe McElwee
- Vice President - Katie Cora
- Co-Sec. - Jordan Crum
- Co-Sec.- Jessica Newkirk
- Co-Treasurer. - C.J Smart
- Co-Treasurer.-Ryanna Shearer
- Co-Reporter - Sarah Mcfarland
- Co-Reporter- Alany Skaggs
- Sentinel - Brennan Sims

Adams County Envirothon

The Envirothon contest is not an actual FFA career development event, but it is an event that is directly correlates with a few of our other CDE's and therefore we compete in this contest as well. The purpose of

the Envirothon Contest is to stimulate interest and to promote instruction in the areas of aquatics, wildlife management, forestry, and soils as well as, to provide recognition for those who have demonstrated skills and competencies as a result of natural resources instruction. The Adams County Envirothon was held on March 31st at GE Park. Teams competed

Envirothon Results

Blue Team– 2nd in county

Gold Team– 8th in county

Red Team– 13th in county

against several other schools in our county. After the contest was over GE employees gave a tour of the Park Wetlands to the students. It was a very educational tour and all of our students had a great time.

State Public Speaking

Brianna Baldwin competed at the State Public Speaking Contest at Marysville High School on March 5th, 2016. Brianna placed 3rd in the State Competition. She represented our FFA Chapter very well in 4 different competitions! Congratulations Brianna!

Greenhouse and Garden Preparation

The plant and soil science class cares for the garden and greenhouse and have started planting and preparing for the upcoming season. Many plants were started in the garden this year. Strawberry plants were planted for the first time. The member also planted asparagus and blueberry bush.

ASK MINTON

Question: *I am currently in 10th grade and am trying to decide if I want to go to CCP or stay at the high school. I want to be able to continue my agriculture education and FFA career, but would also like the benefits of free college classes. What should I do?*

Minton's Answer: *To fulfill both of your wants, I suggest that you take college classes part time then come back to the high school for an agriculture education class. This combination gives you the best of both worlds and will make you happy, as well. I hope to see you in FFA next year! -Minton*

Picture of the Month

Katie Setty and Ryanna Shearer showed their support during FFA week by dressing up like farmers.
