# Back To School Night

17/18-1

On Monday, August 21, 2017 the Peebles FFA Chapter hosted a back to school night to encourage incoming FFA members to get excited about participating in chapter activities this year. The officer team decorated the room and brought in refreshments to offer to the visiting students and parents. The visiting time was from 4pm until 7pm. Many incoming FFA members visited

the agriculture room to learn about the in class experience, as well as the FFA part of agriculture classes. The FFA officers served as hosts to the Ag room and ambassadors to the Peebles FFA Chapter. They helped to welcome parents and students alike, had the chance to talk one-on-one with individuals about the FFA program and all that it entails. All in all, back to school night was a success and the incoming students are looking forward to their year in agriculture education and FFA!
