Sowing Seeds Garden

The Peebles FFA Chapter has been working hard all summer on the school garden. We have harvested large amounts of various tomatoes and peppers. All of the produce have been donated to the By His Hands Food Pantry and the school cafeteria.

Back To School Night

18/19-1

On Monday, August 20, 2018 the Peebles FFA Chapter hosted a back to school night to encourage incoming FFA members to get excited about participating in chapter activities this year. The officer team decorated the room and brought in refreshments to offer to the visiting students and parents. The visiting time was from 4pm until 7pm. Many incoming FFA members visited

the agriculture room to learn about the in class experience, as well as the FFA part of agriculture classes. The FFA officers served as hosts to the Ag room and ambassadors to the Peebles FFA Chapter. They helped to welcome parents and students alike, and had the chance to talk one-on-one with individuals about the FFA program and all that it entails. All in all, back to school night was a success and the incoming students are looking forward to their year in agriculture education and FFA!

ASK MINTON

Question: *What do you have to do to be in FFA?*

Minton's Answer: *To be in FFA: you must be enrolled in an agriculture education class, pay \$10 FFA dues, participate in 4 after school activities, attend at least 4 FFA meetings, sell \$450 worth of fruit, attend the banquet in May, and have a Supervised Agricultural Experience.*
