The **Job Interview CDE** is designed for members to practice and demonstrate the skills needed in seeking employment in all areas

of agriculture. Each part of this event simulates real world experiences that students will have when seeking employment in the future by participating in a mock, job interview. Contest activities include completing an application, writing a cover letter, creating a resume,

participating in a mock interview and finishing the evening by writing a follow-up letter. The Sub-District Job Interview Contest was held at Fairfield High School on November 1st, 2018. FFA students competed in five out of the five divisions for students to participate in, Division I Freshman – Laura Partin, Division II Sophomores—Hunter Johnson and Brycelyn Short, Division III Junior—Carlie Cluxton, Division IV Seniors— Whitney Bauman and Jerilyn Garrett, Division V—Alisan Behr. Jerilyn Garrett and Alisan Behr moved onto districts that was held at Hillsboro High School on November 8th.

Congratulations!

Broiler Project

Members utilized the broiler project for SAE's, classroom lessons and after school FFA work hours. Many members were able to take part in daily care such as feeding, watering, health

checks & pen cleaning. This is our chapters only project where members are able to see the full production cycle from start to finish, therefore serving as a great learning experience. Members participated in assisting in the slaughter and cleaning of the 100 broilers. Many students & volunteers finished processing in a record of 2 & 1/2 hours. The broiler harvesting & processing is an annual event; we donate many cleaned chickens to our local food pantries & will eat much of it at our annual FFA Banquet.

Ripley's Leadership Night

18/19-4

On November 16, members of the Peebles FFA chapter attended the Ripley Leadership Night. At the Leadership Night, state officers Grace and Grant Lach, gave a presentation on how members become successful by going above and beyond the limits they put on themselves

and led the group in a handful of activities that involved: FFA trivia, corn hole, keychain making, and several others. Members then enjoyed pizza and headed home. This was a great experience for our chapter and the members that attended learned many valuable skills.

Parliamentary Procedure

Congratulations to the Advanced Parliamentary Procedure team for placing 2nd at the Sub-District Contest!! These Peebles FFA members participated in the Sub-District Parliamentary Procedure Contest on November 19th at Peebles High School. Both Highland and Adams/Brown Sub-District Teams participated. The advanced team is made up of six FFA members. These members must properly conduct a mock business meeting before a set of judges, as well as complete a test over parliamentary procedure knowledge. On November 29th, the team moved on and competed at the District 9 Parliamentary Procedure Contest held at Fairfield High School. Advanced members include: Jerilyn Garrett, Whitney Bauman, Carlie Cluxton, Emily French, Taylor Cluxton, and Braden Arrasmith.

November Meeting

On November 7th an FFA meeting was held after school with 27 FFA Members in attendance. The committee chairs announced what their committees talked about at each of their meetings and any recommendations they had for future events. President Jerilyn Garrett informed the members that our chapter would be attending the Ripley Leadership Night on November 16th and encouraged students to sign up. Mrs. Minton informed the chapter that our parliamentary procedure team would be moving onto the District 9 Parliamentary Procedure Contest. Jerilyn also informed members that their fruit orders were due November 13th and that members have to sell \$500 worth of fruit to receive full credit and get the chapter t-shirt for free. Jerilyn led discussion on how to best utilize our processed chickens. A motion was made to donate the left over whole chickens to the By His Hands food pantry. We discussed upcoming events for the chapter and ended the meeting with food and refreshments. The next FFA meeting is scheduled for December 18th.

ASK MINTON

Question: *Why do we have to sell \$500 worth of fruit? How can it be a grade?*

-Concerned Salesmen

Minton's Answer:

I require you to sell \$500 worth of fruit because the money raised from this fundraiser is put towards all the activities that our members participate in throughout the year. I can take a grade for this fundraiser since due to being in an agricultural class, you are also a FFA member.
