Leadership Lock-In

Our chapter hosted a Leadership Lock-in in which the members had the opportunity to develop leadership and teamwork skills. Throughout the night, fun, activity and fellowship filled the halls of the school. The evening started with an old fashioned scavenger hunt, members got clues to where items would be hidden and then had to

determine how those items related to leadership. Members then listened to Emily Swayne give a speech on leaving a positive legacy. State officers, Holly McClay and Mallory Caudill also joined our leadership lock-in and participated in the various activities throughout the night with our members. Members also participated in many more games and activities including “Upset the Fruit Basket” and “Nibbity Bibles.”

Kindness Rock Project

On April 5th, Peebles FFA members stayed after school to participate in a Kindness Rock Project. We know that one message, at just the right time, can change someone's entire day so members were asked to collect rocks that could be painted and decorated with kindness quotes and inspirational phrases. Our chapter was able to paint over 100 rocks that will be passed out at State Convention to other FFA members on May 2nd and 3rd.

Richard Rhoads 5K

The Ag. Business class chose to support and volunteer their time to the RR5K as their community service project on April 8, 2019 at the PHS track. Many community members attended the event to help support the Adams County Cancer Center. Donations were accepted and all the profit went to \$20 gas cards for the cancer patients at ACCC. This event was a

very big hit and all the community members appreciated the hard work the class had put into this fundraiser.

1st Grade Earth Day

April 20th was a very exciting day for the Peebles FFA officers and the first graders at the Peebles Elementary School. On Thursday, FFA members took a trip to the elementary to talk to the first graders about the importance of taking care of the earth. The students played games, sang songs, colored, planted a seed, and ate snacks. The children and FFA members had a day full of fun and learning.

3rd Grade Ag Day

FFA members talked to third graders about agricultural commodities and the byproducts of various agricultural products that are produced in Ohio such as potatoes, wheat, corn, milk, apples, beef, eggs, & soybeans. Stu-

dents participated in many fun activities! They had snacks, read a book, made animal face masks, participated in a poster coloring contest, & sang a song! We appreciate the PES staff for allowing us to present this program each year to the third grade.

Envirothon

The Area 5 Envirothon was held on April 24th at Liberty Park in Highland County. Teams competed against several other schools in our Soil and Water Conservation area in the subjects of Soil, Aquatics, Wildlife, and Forestry. Competitors include, Team Gold: Jerilyn Garrett, Blake Smalley, Owen Behr, Hope Brown & Carlie Cluxton; Team Blue: Hunter White, Reagan Warren, Emily French, Kamden Crum & Joseph Crum. Team Gold placed 10th in the contest. The chapter is proud of the members' hard work and success!
