Evaluation Preparation

Sub-District Evaluations were held on January 25th at the OVCTC and each application passed that level. The Secretary, Treasurer, and Reporter are each required to keep books regarding their specific job. The secretary must keep a record of all attendance, minutes of meetings, and Committee/Officer reports, member participation in chapter activities and all correspondence to and from the chapter. The Treasurer must keep a record of finances for the members and the chapter, student fundraiser amounts, monthly treasurer reports and receipts and disbursements throughout the year. The reporter must make a scrapbook detailing all activities that members participate in throughout the year including pictures and captions, they are also responsible for maintaining the chapter newsletters, and news articles printed throughout the year. All officers worked very hard to finish all of the books in time for Area 4 District Evaluations which took place on January 31st. The Secretary, Treasurer, and Reporter's books all got perfect scores and Gold Ratings! Congratulations to Secretary Emily French, Treasurer Braden Arrasmith, and to Reporter Makenzie Wait; and a big thank you to all of the other officers who were more than willing to guide and help them finish their first books as officers!

Public Speaking Workshops

This year our chapter held public speaking workshops in order to help prepare those participating in the Public Speaking Contest held on January 17th. FFA officers and past creed speakers discussed some of the qualities a good public speaker must have. Creed speakers were asked to present the creed in front

of their peers; Officers also recorded each speaker as they were presenting. This gave each of the creed speakers an opportunity to watch themselves to be able to pinpoint mistakes they were making, the actions they were doing and to utilize it as a learning tool to improve their performance. Through many practices and lots of advice, the students were able to dramatically improve their public speaking skills!

Cards for Kids

This year, our chapter decided to make Valentine's Day cards for hospitalized kids at our local Children's Hospital. We sat up a booth at both junior high and high school lunches and asked students to help us with our huge project. After hundreds of creative puns, colors, and drawings, we made over 150 cards and are so excited to bring a glimpse of

happiness into other kid's lives!

Fundraisers

We have officially began our Strawberry Sales again this year and have decided to continue selling butter braids as well because of the success we had with them last year. Our FFA Alumni sponsors this fundraiser to help pay for FFA Chapter expenses throughout the year. Members are excited to begin this fundraiser as many of our customers truly enjoy fresh strawberries this early in the year.
