

April 2015

Area 5 Envirothon

The Area 5 Envirothon was held on April 29 at Lake Hope State Park in Venton, Ohio. Teams competed against several other schools in our Soil and Water Conservation area in the subjects of Soil, Aquatics, Wildlife, and Forestry. Competitors were Katie Cora, Joe McElwee, Brooklyn Farmer, Jordan Crum, C.J. Smart, Sarah McFarland, Garrett Clark, Molly Bauman, and Jessica Shelton. Team Blue members ended up placing 10th out of 68 teams at this contest; both teams did exceptionally well and should be very proud of their accomplishments.
