Parliamentary Procedure CDE

The Peebles FFA chapter's officers have attended morning and afternoon practices daily, to perfect the proper way to run a business meeting. On December 10th, the officers went to Hillsboro High School to participate in this CDE contest. After weeks of long practices, our officers represented the Peebles FFA chapter well by placing 3rd at the Sub-District Parliamentary Procedure Contest. Officers that participated are listed below in the picture (left to right) are Ryanna Shearer, Katie Cora, Joe McElwee, Sarah McFarland, Jordan Crum, and Jessica Newkirk.

Fruit Donation

Each year the FFA has to order extra fruit in order to replace other fruit if it has been damaged or is rotten. They also have many people who would like to buy more fruit. If this fruit is not used or sold, the Peebles FFA then donates the fruit to the local food pantry.

“I believe in less need of charity and more of it when needed...”

From that fruit, they make fruit baskets for

members of the community. This is a great community service for the chapter to do and they plan on continuing this for

the coming years. This year we added another way to donate unsold fruit to members of the community in need. Members made baskets up from extra fruit to give to families that visit the “By His Hands” Kitchen. Approximately 25 families visited the kitchen on Monday, December 22nd. Baskets and boxes of mixed fruit were given out to each of those families. The ministry prepared a full meal to fill their bellies and our FFA chapter sent them home with some wonderful fruit. We were excited to have the abundance of fruit to be able to give where needed and to give to those families in need of a small blessing.
