CLASS PROPHECY

It's the year 2007 and the graduating class of Peebles High has reassembled for a 25-year reunion at the luxurious weekend resort located at the top of scenic Mount St. Helens. Five Star General Rodney Hilterbran will be the master of ceremonies tonight. Due to Rodney's incredibly fast tongue, his interpreter will be Donna Herdman, the famous swine millionaire. Our entertainment tonight will be the internationally famous rock star Pat Garrett. His personal manager, Mike Chaney, has informed us that the warm-up band will be the queen of Punk, none other than Kathy "O" Copeland. Donnie Michael will perform a routine on his skateboard while Kathy "O" sings her number one single "Punk On Your Face".

The meal is being catered by "Dairy Bar Gourmet", jointly owned by Regina Jones, Mona DeVore, Tammy Hayslip, and Bev Jamison. Our medical staff will be standing by after the meal. Nurse Linda Tson (who is also a stand-up comedian) will be assisting Dr. George Holland. Head Nurse Marilyn Norris (currently having an affair with Dr. Noah Drake) will be in charge of hand-overs. Edie Freeman, owner of "Edie's Speedy Ambulance Service" will be ready to rush you off the Mount in case of an emergency. Her trusty driver, Sam Williams, will guarantee to get you to the hospital in 5 seconds flat or you get one free ride in the future.

Beverages will be served by "L & K Liquid Kingdom" owned and operated by Laura Stambaugh and Karen Matheny. Faithful customers of the store, Dena Daniels, Paula Clark, and John Setty, will also help serve. Transportation to the top of the Mount was furnished by "Donna Myers' Escort Service." Richie Carver and Denver Dunn had to design a special 4-wheel Drive Limousine to make it to the top. Donna's specially trained drivers, Jeff Hilterbran, John Armstrong, and Kevin Riddle have been in the business for a long time and are expected to start their own service.

Babysitting will be taken care of by Donna VanHoy, Regina Burns, and Pam Perry, due to previous experience with children. Covering this event for the press will be Terence Reed (taking a leave of absence from Playboy) and his helper Mary Stephens. Terence and Mary have spent a lot of time in the darkroom; these pictures are sure to turn out good.

Elizabeth Dunkin, the famous gossip columnist, is here asking questions and being loud as usual, while Susan Brewer is going from table to table trying to get information out of anybody who will listen to her.

Protection for this evening will be provided by Officer Janette Ward. Any male seen reaching for anything in their pocket will be frisked and questioned and turned over to Mary Ingram for further frisking and questioning.

First to arrive tonight is Mary McCarty, the brilliant scientist who discovered a new hair tonic. Jeff Auburn and Scott Palmer had a tremendous amount of success with it, while Steve Shoemaker's hair has completely fallen out (poor Steve, even his toupee has the mange). Since Jeff Copley and Wayne Allen had such great success with the "supplies" sold in high school, they have opened up a nationwide chain of "C & A Supply" stores, and have put the Tom's man out of business. They deny any rumors of their products being faulty (Jeff and Wayne have 5 children each). Mike and Mark Hill got off work at the Cardinal Store to be here tonight, but they have to sweep the parking lot with a wisk broom next week to make up for the lost time.

Rick Snyder, inventor of the "Snyde Mobile" has arrived; following close behind are his promotion managers Kent Smalley and Quint Jones, his accountant Robert Nolan, and his secretary, Theresa Boerger.

The crowd is getting louder, but we can hear Ruth Austin and Lynne Hodge trying to organize a pep rally. Still louder yet is Robin Freeman doing his impersonation of Elvis. We see Christine Kelley running around trying to find people who still owe money in the pop room. Mark Greene, Ted Richardson, and Ron Roeding got paroled in time to make the reunion. They are serving a ten-year sentence for operating a senior citizen's slave ring. Known as being their ring leader, Jim Robison will be sent back to the Jacktown Institute for the Criminally Insane right after the reunion is over.

David Scott is trying to get people to enlist in the navy, telling everyone you'll get over the sea sickness in 3 or 4 years. Marty Stephenson and Harry McCann are trying to get someone to join the Guards.

Timmie Setty, Mayor of Mineral Springs, Carol Stevens, Mayor of Sinking Spring, Randy Stevenson, Mayor of Jacktown, and Terry Swayne, Mayor of Locust Grove, are setting at a table trying to think of a way to overthrow the President so they can start their own little government, with the help of Steve Workman, better known as "The Godfather".

Tammy Rister has opened her own gas station; doing all that setting at the Certified Station has taught her something. Her number one mechanic is Greg Mullen. Tina and Tonya Brooks are running around with brooms and mops in their hands saying something about it being hereditary. Allen Bartlett, Greg Conaway, and Mark Ryan, who joined a monastery in 1998 are meditating in the corner and telling people to come visit them because they get lonely. Robin Maddell lost his DJ job when he was hit with a mysterious disease which caused his voice to get higher. Robin is now shattering glasses for the Memorex commercials.

Brian Justice has become athletic director for the NCAA and Brett is president of the NBA.

Becky Johnson and Gary Gragg became marriage counselors and are handing out free advice.

Denver Tolle won the Indianapolis 500 in 1996. He was the first person to ever do this in a school bus. Doug Hounshell has bought out McDonalds and is presently changing his name to Rondal McHounshell. Thomas Maddy has opened a health resort island in Brush Creek, Ohio, and is giving free passes. Tom's body building advisors, Amos McCleese, Danny Hayslip, and Tempie Nichols are urging people to attend.

Nancy Thomas has spent the last 16 years in Paris trying to get the Leaning Tower of Pisa straight so she can paint it without leaning. Lynda Dawson, Professor of Fine Arts at the University of Jacktown is trying to get Nancy to lecture at the University.

Dean Brown and Jim Unger, owners of "D & J Meats" have successfully crossed a chicken with a pig to make a new instant breakfast. Randy Ward has become a multibillionaire in Las Vegas by playing the slot machines. Randy's bodyguards, Dana Setty, Jimmie Thatcher, and Carl White push everyone aside so Randy can make his grand appearance, throwing \$100 bills to the crowd.

PROPHECY

Ann Scott is holding her glass with her teeth; she lost use of her fingers when she broke the speed-typing record. She typed 347 words per minute and has spent the last two years trying to get her fingers untangled.

Steve McFarland, owner of his own wrecker service, phoned to say he would be late because Chip Flagge's 1967 Cadillac had a flat tire and the floor board fell out. Rick Toller has become a famous clown and travels with the Ringling Brothers Circus, sometimes getting mistaken for Ricardo The Human Fly.

Last, but certainly not least, are Rose Smalley and Lisa Hanson. They're still as sweet and innocent as they were in high school?????? Thank God some people haven't changed.

Since everyone has arrived, we will start the program here on Scenic Mount St. Helens-----but wait! WHAT'S THAT RUMBLING NOISE?

By: Rose Smalley

I PREDICT :

In the space below, predict where you will be in the year 2007, 25 years after your high school graduation. What will you be doing? Will you have any children, leave the Earth for frequent space travel, or be back at PHS for a class reunion? Describe your life, and then get this newspaper out on your 25-year reunion and see if any of your predictions have come true.

We May Never Pass
This Way Again

Life - so they say
Is but a game and they let it slip away
Love - like the Autumn Sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're going
And all the secrets in the universe
Whisper in our ears and all the years
will come and go
And take us up - always up

Dreams - so they say
Are for the fools and they let them slip away
Peace - like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the Olden Days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years
Will come and go and take us up - always up

We may never pass this way again
We may never pass this way again

BOY'S BASKETBALL¹¹

VARSITY

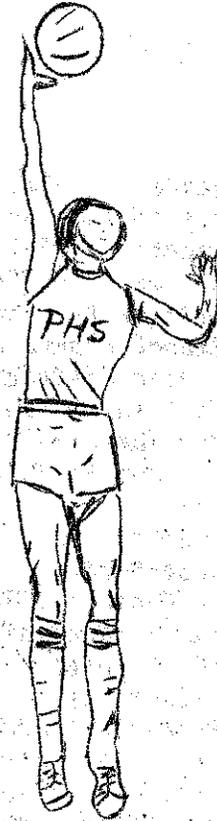

The 1981-82 Peebles Varsity Boys Basketball Team had another outstanding year. The team compiled a 22-1 season. The Indians won the Tri-County League title with a 5-0 record and the Southern Hills League title with a 10-0 record.

Brett and Brian Justice made the Tri-County League All-Star Team, the All-Cincinnati Area team, were chosen for District First Team, and also for Third Team All-State.

Steve Shoemaker made the All-League Team and received honorable mention in the All-Cincinnati Area team.

Other graduating seniors on the team included: David Scott, Terence Reed, Robin Freeman, Tim Setty, and Rodney Hilterbran. We will miss all our seniors next year, as each helped to make the 1981-82 season a success.

The juniors who will be returning next year will be Matt Davis, James McCann, Mark McKenzie, and Bret Newman will be a returning sophomore.

JR. HIGH

The PHS Jr. High team had a very successful year, finishing the season with a 14-0 record, winning the Junior High league and the tournament held at North Adams. The year was one of improvement throughout the season. They finished strong by defeating Manchester in the finals of the tournament by a score of 63-23.

All eighth graders started this year, and that will leave five seventh graders returning for next year's junior high team.

This year's players were: Eighth Graders: Tom White, David Stephens, Brian Swango, Steve Arnold, Kenneth McCann, Shane McCoy, Jerry Leedy, Mark Sanders, Matt Sanders, Kelly Lucas, Carry McKenzie, and Eric Harris. The Seventh Graders included: Bill Abney, Jimmy Johnson, Ronnie Branscome, Steve Watson, and Dennis Harris.

RESERVE

The 1981-82 Peebles Reserve team had an outstanding year. They won the SHL and the TCL League Championships. Their SHL record was 10-0 and their TCL record was 5-0. The season record was 20-0, certainly a rarity in reserve play. The team was well balanced in scoring and rebounding.

The roster was made up of one junior, Alan Gordley; eight sophomores, Bret Newman, Judd Johnson, Richard Smalley, Jerry Copley, Doug McFarland, Danny Branum, Richard Penny, Darren Reed; and three freshmen, Ronnie Farmer, Jeff Daulton, and Chris Fulton.

12 GIRL'S BASKETBALL

VARSITY

The girls' Varsity Basketball Team finished this season with an overall record of 15-7. They were runners-up in the Southern Hills League with an 8-2 record. They were sectional champs at Hillsboro. They were also district runners-up.

Seniors Lisa Hanson and Marilyn Norris, and junior Chris Myers were selected to the Southern Hills All-League Team.

Other members of the team were: Senior, Rose Smalley; Juniors, Kim Ray, Angie Crothers, Jeanette Bartlett, Shawna Herdman, and Kathy Harris; Sophomores, Julie Singer, Cynthia Cluxton; and Freshmen, Phyllis Shoemaker and Michele Ray.

Managers were Mary McCarty and Missy Moore. Their scorekeeper was Teresa Freeman, and their coach was Mr. Tom Newman.

Despite losing the three senior starters, next year's team is expected to work hard and have the dedication to pick up where this team left off.

RESERVES

The girls' Reserve Team, with Coach Tom Newman, finished their season with a perfect record, 11-0. The team consisted of Junior, Kathy Harris; Sophomores, Julie Singer, Cynthia Cluxton, Debbie Rowe, and Carolyn Norris; and Freshmen, Missy Browning, Michele Ray, Jene Kremin, Phyllis Shoemaker, Heather Garry, and Renee McKenzie.

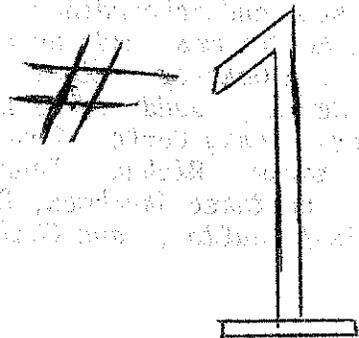

PHS is proud of these fine ball-players. Congratulations, girls!

JR. HIGH

Once again the basketball season has come to a close for Coach Gary Newman and the Jr. High Girls Team. They achieved their ultimate goal--the winning of the Ohio Valley League trophy, and topping it off with the capture of the championship in tournament play.

The team's season record was 14 wins and 0 losses. Members of the team included: Angie Austin, Barb Boyd, Tricia Knauff, Kim Danner, Becky Browning, Carla McFarland, Vvette Fristoe, Michelle Lee, Renee LaPorte, Georgia Workman, Melissa Dunn, Pam Fulton, Angie Taylor, Jennifer Kidder, Raneer Garman, and Johnna Herdman.

Managers for the team were Brenda Isaac and Tangy Smalley.

SENIORS WRITE . . .

WHY GLASS IS NOT CLEAR

12 years or more we've spent in school
Learning what we thought was bull.
But learning they say is good for us,
So most endured with little fuss.

The years passed by so slow they seemed,
Of graduation we never dreamed.
Then after those years of writing with
"Shaeffers"¹
We finally got our "walking papers"²

Soon we'll be out and on our own,
Away from Mom and Dad and home.
But we will look back and remember well,
The times we spent at Peebles School.

¹Shaeffers: pens

²walking papers: Diploma

Mark Greene

IT

It goes on and on
everyone wasting it
or making good use of it
passing through it
wonderously

We form our lives around it
working for it
waiting for it
you don't know what it is
too late
it is time, the end is near

You may know what it is
you may not care
it is a part of your life
something to share.

Mark Hill

THE FINAL BELL

The days are growing shorter, the
old clock on the wall ticks steadily
away while the students wait for the
final bell to ring. The bell that
will mark the end of a long era and
the beginning of an even longer one.

The suspense is killing each one
little by little. Each badly wants
to leave this place and yet they
know that when the bell sounds there
will be many people they will never
see again.

For years the time has seemed as
if it took forever to pass, each
year falling like one grain of sand
in an hourglass. But somewhere down
the road, time was lost and now as
the awakening hour approaches every-
one tries to recapture the time that
was lost.

Time cannot be turned back, so we
all sit holding our breath and wait-
ing for the bell that marks our last
day of high school.

Regina Marie Jones

SOMEBODY

Somebody loves you
Somebody cares
Somebody watches you
Somebody stores
Somebody admires you
Especially your smile
You make that someone's
Life worthwhile
Somebody adores you
Especially your eyes
They think you're better looking
Than all the other guys
Somebody flips for you
Head over heels
To be in love
They know how it feels
Somebody loves you
I know that it's true
And if you keep quiet
I'll just tell you who
Somebody loves you. . .
I do!!

Lynne Hodge

SENIORS WRITE . . .

We are determined to be starved before we are hungry. We live our lives with such hurry and haste that we are actually starving ourselves. Not starvation due to hunger, but a starving of our bodies, minds, and souls. The people of today's society are so engrossed in getting their jobs done today and saving for that special dream of tomorrow, that they lose all track of the simpler and the more basic events that make life so precious.

Our society is blessed with so many luxuries and time-saving gadgets that we begin to take all the minor things in life for granted. With a flick of a switch or a turn of a knob, we can have instant light or running water. These are simple tasks we perform every day, but seldom think of the great help that they are to us.

There should be a time when a person should find his inner self. He should completely stop everything and reflect on his own life. A person should take time to think about what direction he wants his life to take instead of being swallowed up by life's everyday hassles.

Our lives are planned ahead of time. We know what we are going to do tomorrow. We worry about situations that do not pertain to us. Man is so determined to keep busy with his work, trying to get ahead. But actually they work just as much tomorrow.

As a remedy, we should live our lives one day at a time. We should enjoy everything life has to offer us each day. Who is to say what tomorrow might bring? Life is filled with so many uncertainties and tragedies, that when tomorrow comes, the opportunity for the simpler pleasures might not be there.

Marilyn Norris

THE RIVER

The water runs briskly,
Wild and free,
Constantly rushing onward
While never looking back.
I wish I could be that way,
Always looking for what lies ahead
There around the bend.
But if it were so,
I would never have a chance
To reflect on memories,
That flow throughout
The river of life.

Laura Stambaugh

"FUTURE"

The future always ahead, never to
be caught
Always out of grasp, just merely
a thought
Time will tell what the future
may hold
We will all move forward,
some daring, some bold
All eyes will look forward
but always from sight
The future it seems will always
be night.
Darkness holds what the future
will tell
No light can penetrate this darkness
of hell
The future so vast,
so far away
Yet within our grasp
from day to day.

Lisa Hanson
