NEW TEACHER

Ms. Yaden, whom most of us have known as a substitute teacher, is the new learning disabilities teacher here at PHS. She helps students with reading, math, science, or any other subject they may be having trouble with.

She received her teaching degree in art from Morehead State University, and would much rather be teaching art than being an LD tutor. She has a lot of neat ideas for an art class, like art shows and community activities.

Ms. Yaden has a number of hobbies: pencil drawings, water colors, shopping, and reading. She could become a professional artist someday, but she would rather teach students how to express themselves through art.

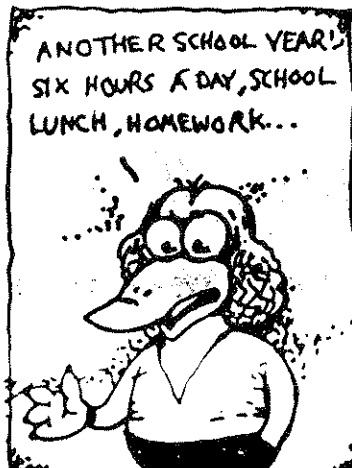

STUDENT FEATURE

This month's student feature story is on Lisa Lloyd, the 1985-86 Old Timers' Days Festival Queen. She is the daughter of Mr. and Mrs. Richard Lloyd. When asked how she felt during and after the pageant, Lisa replied she was very excited and nervous to get this reign as queen.

Lisa is always on the go with all her activities, which include: 4-H, Girl Scouts, FFA Queen, and she is also the secretary of the 1986 senior class.

Lisa plans to attend college. Her studies will prepare her for a position as a physical therapist.

TWILIGHT NIGHT

I was walking down a long, cold, dark alley on the way home from the warehouse. I had just got off work as a security guard. While walking down this alley in the middle of New York, I could have sworn I heard wolves howling. I noticed the fog rolling in. Up ahead I saw a sign that I've never noticed before. I ran up and read the wooden sign. It said, "Welcome to Transylvania, 1806, Home of the Legendary Count Dracula." Suddenly the buildings around me became trees and the suburb's sounds became eerie, unfamiliar sounds of the night. I must have been walking at a faster pace. I must have stumbled upon a small village. I walked into the local pub. Upon entering, I saw the room become motionless. The bartender shouted, "It's just the Count's next victim."

I asked, "What do you mean, the Count's next victim?"

The bartender told me to have a seat and passed me a drink. He told me how every Halloween night the Count brings his victims from another time dimension. He said I must spend the night in the Count's castle, and that I must kill Count Dracula or remain in this century forever. The bartender gave me directions to the castle. I walked into the street and felt the wind starting to pick up. I noticed a carriage coming, but I heard no hoof beats on the brick road. The driver was carrying a large sickle. The carriage pulled up in front of me. The door very quietly opened. I approached the carriage door and saw a shadowy figure gesturing me to get in. I then entered and the door closed. I looked at the figure and it was a motionless skeleton. The carriage was moving again. I told the strange driver to stop, but he wouldn't. I tried to escape but the door was locked. The windows were black so I had no idea where we were headed. About a half hour later we stopped. The carriage door opened and I got out. My

riding partner decided to stay. I turned around and the carriage was gone. The weather was getting vicious, so I went into the castle. I was curious about a noise I heard and started up the stairs. The Count walked out of the room to the left, rubbing his finger nail on the railing. The railing was peeling off in little strips.

He stopped and said, "Welcome to fright night; it will be the night of your life."

I didn't yet know how I was going to kill him. I ran down the first hallway I could find, but he stepped out from around the corner at the end of the hallway. I stopped and looked around. I went into the room with the very dim light. As I was walking in, I could see what looked like a coffin.

The lid opened and the Count sat up and said, "You're next!"

I turned and ran out of that room and down a hallway to a dungeon. I walked down the stairs to look around. I saw all kinds of bones and heard evil laughing. I was on my way out of the room, when I saw the wooden pick and mallet. I grabbed them and left.

I was on the main floor going upstairs when I saw him. I said, "Come and get me Count."

He swooped down and I put the wooden stake through his heart and flipped him over my head. He landed on his back, at the bottom of the stairs. I went down and pounded the stake the rest of the way into his heart. The Count was dead. I tripped over some glass lamps on my way out. I figured that if the castle was burned then no one else would have to go through what I did. As I started walking down the road, I recognized some of the buildings. I was home. As I think about it now, I wonder if what I had done was smart. Wouldn't the wooden stake burn too? Beware!!!

STUDENT COUNCIL

The first meeting of the Peebles High School Student council was held Sept. 25, 1985, fourth period in room 207.

Mr. Lacy, the head of ARA, was our guest along with Mrs. Naomi Parker, the head cook. He discussed different ideas for our lunch program, like serving cold sandwiches and ice cream in the extra room in the gym, in case you don't like what the regular menu is offering. We discussed things that we like and don't like about our cafeteria.

In later meetings we want to discuss why they don't offer certain sports. Why do all the other schools hold graduation on the same day. Will all the schools in the county go together as one school?

We also elected officers. They are: Chris Willman, president, Angie Austin, vice president, Joy Grooms, secretary, Denise Allender, reporter.

We elected a food committee also, they are:

7th graders: Jodi Johnson, Tim Roush.

8th graders: Rick Garrison, Steve Reynolds.

9th graders: Julie Knauff, Heather Drummond.

10th graders: Mona Gordley, Lori Austin.

11th graders: Marc Kremin, Jimmy Johnson.

12th graders: Angie Austin, Chris Willman.

This committee has since met with Mr. Tim Lacey (ARA) and has some exciting things planned for our school cafeteria.

INDUCTS NEW MEMBERS

On October 7, 1985, the Peebles Chapter of Junior Beta inducted 33 new members at the 4th Annual Honors Banquet.

We now have 70 Freshmen and Eighth-Grade members. Our new Freshmen members this year are: Penny Clifford, Lora Farthing, Mike Johnson, Robert Smith, Traci Williams, and Rachel Williams; Eighth Graders: Jayne Armstrong, Jeff Begley, Jamie Bennington, Michelle Benson, Neal Browning, Edgar Case, Anita Clay, Kerri Cline, Mike Conley, Dick Crothers, Preston Cruser, Eric Fields, Kim Fields, Ronnie Fitzpatrick, Chris Foster, Joey Gardner, Richie Huff, Willie Jennings, Joy Johnson, Kenny Matheny, Pam Myers, Renee Parks, Angie Reed, Angie Shiveley, Teresa Shoemaker, Aletha Stewart, and Michelle Williams.

HOW TO BE A WHOLE PERSON

Smile--It's the melody of the soul.

Work-- It's the service of the spirit.

Play-- It's the secret of youthfulness.

Read-- It's the source of wisdom.

Love-- It's the gift of the heart.

Pray-- It answers every need.

ROSES TO JR. HIGH FHA

On Sunday, September 15, the students from the Peebles Jr. High FHA Chapter were greatly surprised when they were awarded a red rosette for placing second in the "Most Creative" category in the Old Timers' Days Parade.

The chapter's theme was "Home of Yesteryear." To represent the theme they made a large, brown boot, with a red roof out of cardboard and then had several students ride in and on the float to portray the "Old Woman in the Shoe" and her children. The chapter also demonstrated on the float, four of the seven areas of Home Economics. The old woman's shoe was donated to the Peebles Kindergarten classes.

As a result of the chapter's placement at the parade, the Jr. High FHA float workers have chosen a camping trip in October.

The FHA would like special thanks to go to Mrs. Ann Singer for the use of the barn; Mr. James Ford for use of his truck; Mr. Andrew Graham for driving the float through the parade route; Mr. and Mrs. Larry Smart for use of their wagon; all of the parents for their cooperation and transportation of the students back and forth to the barn during the float construction; the students for their time and hard work; Ms. Blackburn for feeding and support during the chapter's effort and most of all, the chapter thanks the judges for noticing what was so proudly accomplished.

GREAT JOB EVERYONE!

FHA ELECTS OFFICERS

The 1985-1986 theme is "FHA/HERO Provides Tools for Growth." Their goals for this year are to increase membership, to have more chapter involvement, and to increase public awareness that everyone is a homemaker.

Their projects consist of: Children's Hospital Resource Development Fund; Families and Futures, Student Body and TAP (Teen Advisory Program).

Their officers for 1985-1986 are as follows: President: Sonya Cline; 1st Vice President: Pam Fulton; 2nd Vice President: Maria Freeman; Secretary: Alison Dick; Treasurer: Dawn Seipelt; Historian: Becky McFarland; FHA/HERO Representative: Julie Johnson.

Their next meeting will be held on October 15, third period.

FHA HOLDS INITIATION

FHA Initiation Day was October 9. All new members dressed for assigned occupations and carried four tools of the occupation to emphasize the theme "FHA/HERO Provides Tools for Growth". New members were asked questions about the theme, motto, goals, color, flower, purposes, state projects and creed, by the old members.

New members this year are Grace Gilliam, Laura Lane, Carol Hammond, Shari Austin, Jody Ross, Lisa Hodge, Kathleen Robison, Rachel Williams, Pattie Wesley, Sonya Sammons, Sylvia Thompson, B.J. Smalley, Becky Swayne, Lilly McFarland, Patricia Moore, and Bev Page.

The Peebles FFA officer election was held September 30, 1985. The new officers are President, Jeff Unger; Vice-President, Bob Shiveley; Secretary, Kim Adkins; Treasurer, Crystal Fristoe; Sentinel, Alan Swayne; Student Advisor, Missey Humphrey; Reporter, Jimmie Riley; Historian, Todd Scott; Chaplain,

Mickey Benson; Assistant Vice-President, Shawn Swayne; Assistant Secretary, Greg Penny; Assistant Treasurer, Brian Brown; Assistant Sentinel, Mark Garman; Assistant Student Advisor, Mark Anderson; Assistant Historian, Gary Dearth; Assistant Chaplain, Billy Setty; and Assistant Reporter, Lesia Bryant.

FFA HOLDS MEETING

The Peebles FFA chapter held its regular meeting of this school year on September 30, 1985. From 6:30 until 7:30 p.m. there were several sports activities including softball and football. The meeting began at 7:30 p.m. Many agenda items were discussed, including the FFA hayride, conservation essay winners, safety program at the elementary school, skating party, Bengals game, and FFA dues. There are several contests coming up including land judging, lumber grading, and timber cruising. Other items on the agenda were FFA fruit sales, tractor pull, greenhand initiation, tree program, and also Junior Fair Board representatives.

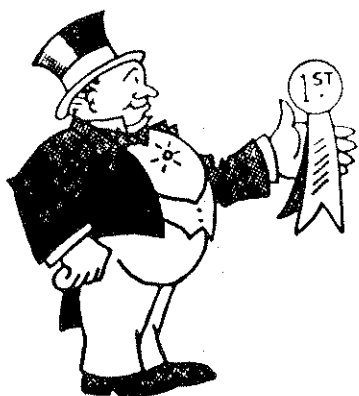

Following the business items the annual election of officers was held. At the conclusion of the election, refreshments were served and the members played basketball in the gym. Total attendance was 55 members, 15 alumni, and 8 guests.

Nine members of the Peebles FFA Chapter and one member from the Manchester Chapter attended Ohio FFA Camp at FFA Camp Muskingum, near Carrollton, Ohio. The camp was held for a combination of outdoor recreation, conservation education, and leadership development.

Those attending the camp from Peebles were Denise Allender, Vicki Gardner, Bill Dulaney, Tim Wilson, Brian Ward, Bob Huffman, Steve Haynes, Charlie McMillan, and Richard Roosa. Todd Sams, of Manchester, also went with the Peebles chapter. Jim Faust, advisor, and Donald Storer, bus driver, accompanied the group.

The Peebles FFA Chapter wishes to thank the following persons for providing Camp Scholarships: Bill Games, Roger and Barb Gorman, Carolyn Freeze, Mark Seaman, Bill Butler, Mary McMillan, Richard and Linda Rhoads, Ed Lykins, and the Peebles Young Farmers Chapter.

FFA AT COUNTY FAIR

A total of 70 members of the Peebles FFA Chapter exhibited one or more projects each at the 1985 Adams County Fair. The chapter won a total of 83 grade A blue project ribbons and 48 grade B red project ribbons. The beef judging teams from Peebles placed third and fourth in team competition. The third place team members were Billy Abney, Denise Allender, and Crystal Fristoe.

The dairy judging teams placed second and third in team competition. The second place team members were Jeff Unger, Todd Scott, and Steve Haynes. The third place team members were Yvette Fristoe, John Savage, and Alison Savage.

David Stanley exhibited the Grand Champion Pen of Feeder Pigs.

Numerous members won a variety of first, second, and third placings in various junior shows.

The Peebles chapter also participated in the Red Barn Dairy Booth program, exhibited an educational booth, had contestants in the Pig Scramble and Tractor Rodeo, and in the Invitational Livestock Judging contest. Members also served on the Junior Fair Board and helped with a variety of other activities.

STATE PAGEANT CONTESTANT

Lisa Lloyd, daughter of Mr. and Mrs. Richard Lloyd of Hoop Ridge near Peebles, participated in the State FFA Queen Contest at the Ohio State Fair on August 2. Lisa is currently serving as the Peebles FFA Chapter Queen and she represented the chapter in the competition. Lisa competed with FFA Queens from all over Ohio.

Lisa is a senior this year at Peebles High School. She has been very active in FFA, 4-H, and other student organizations. She is a life-guard and swimming instructor, and is always involved in service projects for the community.

The Peebles FFA Chapter commends her on her outstanding representation as Chapter Queen.

NEW CLUB!

A TRS Games Club is under development! A meeting will be held on Wednesday afternoons or evenings at the Peebles Public Library. If you are interested in joining, please contact David Doughman at 587-2820.

CLUB NEWS

FCA - A NEW CLUB

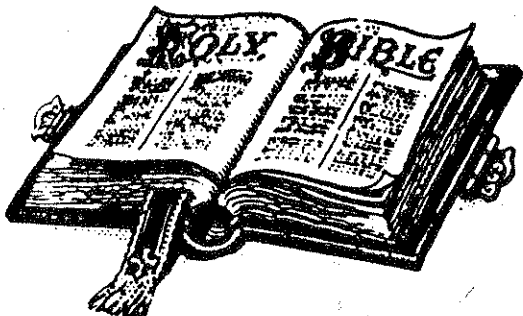

Fellowship of Christian Athletes has been brought to our school by Mr. Dick Reed and Miss Cheryl Ryan. Miss Ryan, who has had part in a strong FCA group in Kentucky, has taken advantage of her job here at Peebles High School to bring the organization to us.

The FCA's purpose is "To present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the Church."

FCA has had a great start here at Peebles High. During its first meeting nearly thirty people attended and many others are showing interest. Mr. Reed feels that if more continue to come, a separate FCA may be started for the junior high.

Officers of the FCA were elected on September 30, and are as follows: President, Matt Sanders; Vice-President, Chris Willman; Secretary, Kim Danner; Treasurer, Angie Austin; and Public Relations, David Doughman.

The new organization hopes to have the officers plan activities often. Meetings are held each Monday morning at 8:00 A.M. and evening meetings are also planned each week or so.

NATIONAL HONOR SOCIETY

The National Honor Society raises money from the giant cookie raffle at basketball games for the Christopher McFarland Memorial Scholarship Fund. The scholarship will be given annually, in the amount of \$500. The first recipient was Michelle Ray.

The club also will be going out to eat at a nice restaurant sometime in December.

Nine new members were inducted into the club at the Honors Banquet, October 7. The new members are Lori Austin, Laryssa Begley, Becky Browning, Kim Danner, Joy Grooms, Brenda Isaac, Kerry Matheny, Mark Piekutowski, and Mike Reed.

The club now has twenty members.

BUSY BETAS

The Peebles Beta Chapter stayed very busy preparing for the Honors Banquet which was held October 7. Seventeen new members were welcomed into the club by twenty-five previous members.

The new members are: Lori Austin, Becky Cline, Joy Grooms, Susie Hedrick, Tammy Hoop, Tim Johnson, Cheryl Kelley, Kerry Matheny, Robin Mitchell, Kim J. Newman, Kim R. Newman, Michelle Newman, Mike Reed, Briana Richardson, Libby Stephenson, Jeff Unger, and Aimee Willman.

The club will now start on their scrapbook for conventions. They are also planning to attend State Convention in Columbus April 3-4, and National Convention in Washington, D.C. June 19-21. In order to attend conventions, each member must have service hours up to date.

JUNIOR BETA CLUB

Let Us Lead by Serving Others

The Junior Beta Club has been a very busy group since the opening of school. We are very proud to welcome 27 eighth graders and 6 ninth graders into our organization this fall. Our officers have been elected, our banquet and installation ceremonies have taken place, and our members are hard at work with annual candy sales.

We would like to announce that if any ninth grade students with a B (3.0) average would like to join our club they should stop in room 215 or contact one of the officers for information about the steps involved in becoming a member.

Our club has been invited by North Adams Junior High to an upcoming banquet. The students at Winchester are in the process of forming a Jr. Beta Chapter, and they have asked for our assistance with their induction ceremonies. We feel very honored to provide any help that we can.

Last year our club worked

very hard to earn money for the lawn sign. We are sorry and sad to learn that some did not like it. Our letters disappeared from the first announcement almost as quickly as they were put up. Since there are only three known towns with the name "Peebles", there is not much chance we could get rid of this sign. We feel rather puzzled about what to do and we will listen to suggestions from the student body.

A drive was taken around to other schools that have lawn signs to see if they were being used. They were - with not one single letter missing from the announcement! Does that tell us something?

We wish all of you to have a good school year and hope that you have done something worthwhile for someone else.

P.S. Incidentally - there is a Peebles in Ohio, one in Wisconsin, and one in Ireland. The surname Peebles has been on the King's registry in Scotland since the 14th Century.

ASSERTIVE DISCIPLINE!

WHAT IS IT?

It will be established across the district. It will be in effect by January 1. Teachers are seeing a series of six films to learn more about this form of discipline.

Basically it's where positive behavior can and may be rewarded in some way and negative behavior is quickly dealt with without disrupting the class.

The first step is to get your name written on the board. After several times, you go to see Mr. Darby for a parent-teacher conference. After that it's in-school suspension (that's SATURDAYS from 8:30 a.m. until 11:30 a.m.). From there it's out-of-school suspension, then out of school completely.

Another new policy is that students 18 years of age are allowed to write their own notes for being absent. It's best to explain to Mr. Darby the reason of the absence, however.

IF YOU DON'T UNDERSTAND A RULE, NEW OR OLD, ASK A TEACHER OR ADMINISTRATOR. THEY'LL EXPLAIN IT TO YOU!

HOROSCOPES

Scorpio, (Oct. 23 - Nov. 21)
Time to jump back into your school routine and meet up with friends you've missed over the summer. There will be plenty of good times to share with them this school year.

Sagittarius, (Nov. 22-Dec. 21)
Setting a new goal for the school year should be a top priority. How about better-than-average grades by mid-term?

Capricorn, (Dec. 22 - Jan. 19)
Try to set aside some time in your busy schedule for spending time with your family. You can't help but be happier when those family ties are strengthened.

Aquarius, (Jan. 20 - Feb. 18)
If you can't find people you want to be around yourself. Treat yourself to a favorite book or a long, relaxing bubble bath.

Pisces, (Feb. 19 - Mar. - 20)
Ideas of romance flit through your mind this month. It might even be someone you've known for a long time.

Virgo, (Aug. 23 - Sept. 22)
Now's the time to start up your school diet routine. Keeping an eye on those calories pays off when you look terrific in your new school wardrobe!

Libra, (Sept. 23 -Oct. 22)
You are tempted to be a little spend-thrift this month. Try to curb this urge by window shopping. If you must buy, make sure you have an after school job to cover it.

Aries, (Mar. 21 - Apr. 19)
Fresh air and exercise is what you need, Aries. It will keep your spirits up, which you'll need for the extremely busy days ahead.

Taurus, (Apr. 20 - May 20)
Your level of energy is at an all-time high. Have fun while participating in competitive sports. Tennis, softball, or volleyball will use up that energy and firm up your body, too!

Gemini, (May 21 - Jun. 20)
Go easy on your independence kick -check out new school clubs and join in the fun. The times right for some great friendships.

Cancer, (Jun. 21 - Jul. 20)
Compromises can be reached between friends and relatives who are demanding a lot from you. Your charm will help smooth over any bad feelings that may arise.

Leo, (Jul. 21 - Aug. 22)
Have you ever thought about starting a journal? Now's a great time to do so--summer memories are still fresh in your mind, and fall's bound to be full of exciting events worth remembering.

FARMING CITY SLICKER

There was this city slicker who moved to the country. He had this bright idea of farming, but he didn't have any horses to hitch to his sled. So he went to the farmer next door and asked if he had any horse eggs for sale. The farmer said that he had just sold his last one, but he was almost positive the next farmer down the road had a couple. So the stranger started down the road. When he was out of sight, the farmer called the other and let him know what was about to happen. So the other farmer

Painted two watermelons brown. When the stranger arrived and asked about the eggs the farmer quickly replied, "Yes, I have two left. They are the best eggs you can buy and they are only \$75 each."

The stranger bought the eggs and started home. He was almost home when he dropped one of the eggs into the ravine. When it busted, a rabbit jumped through the weeds. The city slicker said, "Yes that was a good egg I bought, but he would have been too darn fast to hitch to the sled anyway."

NEW P.H.S. SICK LEAVE POLICY?????

Sickness: No Excuse

We will no longer accept your doctor's statement as proof of absence, we believe that if you are able to go to the doctor, you are able to come to school.

Death: Other Than Your Own

This is no excuse. There is nothing you can do for them, and we are sure that someone else in a lesser position can attend to the arrangements. However, if the funeral can be held later in the afternoon, we will be glad to let you off one hour early, provided that you have all your homework made up before you leave.

Death: Your Own

This will be accepted as an excuse, but we would appreciate a two week notice, as we feel it is your duty to withdraw from school before you die.

Leave of Absence: For an Operation

We are no longer allowing this practice. We wish to discourage any thought that you may have about needing an operation. We believe that as long as you are enrolled here, you will need all of whatever you are having removed. We enrolled you as you are, and to have anything removed would certainly make you less than we bargained for.

P.S.

Too much time is being spent in the rest rooms. In the future, we will follow the practice of going to the rest room in alphabetical order. For instance, those students whose names begin with 'A' will go from 8:00 A.M. to 8:05 A.M., 'B' will go from 8:05 A.M. to 8:10 A.M., and so on. If you are unable to go at your time, it will be necessary to wait until the next day when your time comes again.

ON THE LIGHT SIDE

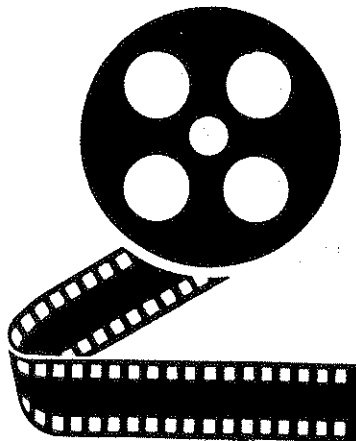

MOVIES

Back to the Future - Mix scientific fiction with a wisp of romance and you have an unusual story of how a boy (Michael J. Fox) acts as the go-between for his future parents thanks to a sportscar that throws him into the past. (PG) * * * *

Creator - Tragedy and farce collide as Peter O'Tolle plays an eccentric scientist trying to bring his dead wife back to life. The lofty message is undercut by tasteless gags and ingratiating cuteness. (R) *

Teen Wolf - Another film cranked out for the teenage market, but hairier. Michael J. Fox stars as a high school student who can turn into a werewolf. Not much to howl about. (PG-13) * *

Rambo: First Blood, Part II - There's no end to the bloodletting in this "First Blood" follow up. Sylvester Stallone recreates his Rambo role and goes off to Vietnam to find and rescue POW'S. (R) * *

NUCLEAR HOLOCAUST

"The Day After" was a program
Millions watched on TV
And wonder how it could happen
To a land that's free.

With only the press of a button
We know our lives could end
Or be burned beyond recognition
And nowhere find a friend.

Someone to console us
There's no one left behind
Our homes would be destroyed
Our families we'd never find.

It only makes me realize
Even more today
We can't turn the hands of time
No matter what we say.

So for the time we have together
Let's love to each other give
Let's treat today as if it were
our last
For we know not how long we'll live.

CROSS COUNTRY

The P.H.S. Girls Cross Country team has been undefeated in their regular season meets this year, except for the Southern Hills League meet in which they placed 3rd. Kim Danner has led the team with 8 first place finishes and has set a new Peebles school record for the 5,000 meter run of 20 minutes, 51 seconds. The team took 1st place honors this year in the Adams County Meet with Kim Danner placing 1st, Tammy Hoop 2nd, and Libby Stephenson 3rd in the overall run. The Girls' "A" Regional Meet will be held Saturday, Oct. 26 at Lancaster, Ohio. -Good Luck Girls-

Let's GO!

BUMP, SET, SPIKE!

Is this a new punk rock group or dance? No, they're parts of a new sport added at the high school this year. After several years of absence, power volleyball returns.

Conditioning and practice began two weeks before school. Players learned to use a power serve, a bump, a set, and a spike. Later they worked on a power hit, block and dink (which is a fake spike over the hands of the opponent's block). The use of the new skills began the first week in school and ended at tournament in October.

Mrs. Greenlee, head coach, is already working to get the schedule and referees lined up for next year. Four of her starters this year are juniors and two more of her varsity are sophomores. This looks quite encouraging for next year's team.

Mrs. Willson, reserve coach, stated "We knew this year would be a learning year. We improved each game. My team was playing good team volleyball by the end of the season. If we can continue to build our skills and play team ball at the start of next year, our winning record will raise dramatically." Mrs. Willson further stated, "I enjoyed working with the quality of athlete I had. The girls here are real competitors; schools who have had volleyball for years gave us a real contest. Next year we'll do more than that."
