BETAS VICTORIOUS AT CONVENTION

On Wednesday, April 9th, all of the Beta Club's hard work this year paid off as they went to the Ohio State Beta Convention. The Convention, as any member will tell you, is the climax of Beta's activities. The Convention was an enormous success for PHS, as Rick Puckett was elected State Beta VicePresident.

Rick said after his election, "I'm honored that the Beta members of Ohio have elected me to be their vice-president. I would like to thank the campaign committee; they did a great job up there and here at Peebles getting everything ready. I would also like to thank Tessy Baker for taking the time out of her hectic schedule to prepare me for my speech, and the entire PHS Beta Club for running me for state office. I will do my best to serve them, and the entire state of Ohio." He campaigned on the issue of bringing more schools to Beta convention, a promise he intends to make good on.

The campaign committee did a very creative job. A popular song sung by PHS Betas at the convention was, "Hey Ricky, you're so fine, you're so fine you blow my mind! Hey Ricky! Hey, hey, hey Ricky!"

For Rick's campaign skit, Paul Worley, Jay Matheny, Kara McElwee, Seth Myers, and Beth Armstrong performed the R-I-C-K-Y, sung to the tune of the "YMCA." After their intentionally poor performance, Brianne Brown appeared on stage and said, "Heaven help us if they ever learn the Beta Club Song."

PHS also brought home the Beta bacon in several academic categories. In Arts and Crafts, Emily Lieb placed first in the Pen & Ink category. Rebecca Lykins won first place in Sculpture. More Arts & Crafts winners are:

Kara McElwee, 3rd place, Drawing
Kendra Baker, 2nd place, Photography
Becky Durbin, 3rd place, General Arts and Crafts
Meredith Ward, 2nd place, Ceramics
Cori Hanna, 3rd place, Sculpture

PHS also did well on their scholastic tests. In English, Deborah Swayne placed first. Meredith Ward was 2nd in Creative Writing, and Paul Worley was 4th in Social Studies. PHS also received second place in Scrapbook and Talent.

In addition, Peebles broke new ground at this year's convention. For the very first time, a Beta Club made an

electronic scrapbook on a computer. The principal architects of the scrapbook were Derrick Cobb and Shane Milton. Dr. George W. Lockamy, a key figure in Ohio Beta, invited these two to design a national Beta web page. Shane said about the scrapbook, "It's the most fun I've had at school and been able to play video games on the side."

The convention was a blast for everyone, and the Beta Club hopes that by doing things like this, they will encourage more students to work hard and get the grades to be accepted into Beta.

In closing, Beta sponsor Mr. Darby offers comment on the convention, "I was very proud of the accomplishments of the Peebles (in fact, the entire Adams County) Beta. We have a lot of outstanding young people that are involved in a lot of different activities. As individuals and teams they worked together to bring respect and recognition to our area."

Congratulations!

Liar--Liar

This month's movie review is Liar--Liar. This movie, starring Jim Carey, is absolutely hilarious! Jim Carey plays the role of a single, divorced lawyer, who never seems to have time for his five-year-old son. He promises to spend more time with him but something always seems to come up.

On his sixth birthday his son makes a wish that will change his dad's life forever! If you are interested in a comical, yet serious flick, this one's for you!

Successful lawyer Fletcher Reede (JIM CARREY) tries to convince his son Max (JUSTIN COOPER) to reverse his birthday wish-come-true that his dad can't lie for 24 hours.

Skin Quiz

- T F 1. The problem with the diets of most teens is too much sugar.
- T F 2. One hundred calories of cheese is just as healthy as 100 calories of skim milk.
- T F 3. Exercise enriches the skin.
- T F 4. Exercise increases your appetite.
- T F 5. High doses of vitamin A help acne.
- T F 6. Sweating causes pimples.
- T F 7. Chocolate, sweets, fried foods, and soda cause acne.
- T F 8. Large amounts of alcohol can make acne worse.

Answers:

1.	False. The problem with teenager's diets is not too much sugar - it's too much fat.
2.	False. Cheese is 70 percent fat.
3.	True. Exercise helps the skin by drawing blood to its cells, keeping them healthy and active.
4.	False. Exercise increases muscle strength, increases metabolism, and burns calories.
5.	False. Acne isn't caused by vitamin deficiency. In fact, large quantities of vitamin A can be toxic.
6.	False. Sweating doesn't cause pimples. But if you don't wash your face right after perspiring, bacteria develops and can lead to acne.
7.	False. Fatty and sweet foods do not cause acne.
8.	True. Alcohol abuse can increase the severity of acne.

Nitty Gritty

Yancy Gordley, who are you taking to prom: Kendra, Nikki, Autumn, Betty, Ashley, Emily, Veronica, or Gertrude?

Brianne Brown, were you sitting on your "Levi's" at Rebecca's

Jessica Henley, how many people can you fit into your "Green Machine"?

Hey Ricky Puckett, we hear you're getting better at your bridge jumping? Did you try a swan dive, this time?

Hey Jason Howard, so what did the front of your locker say when the seniors decorated it?

Hey Mrs. Wallace where did you find your cup of pop? Was there anything in it?

Peggy E. where did that rubber duck in your bath tub come from?

Hey Koleyn W. did you know spray paint is flammable?

We hear Jody A. is learning how to "keep busy" on the web. How light is your hair color, Jody?

Jay S., is your new theme song "Heartbreaker"?

Hey Robyn W. and Pam J. who's dog were you running from?

Eric D., we hear black is your favorite color?

Hey Garth L. and Alaina W., did Whaylon's visit ruin your plans?

Health Tip

Flexibility:

Limber muscles help you perform better, so stretch before and after exercise. Do ten to twelve minutes of stretching (like side bends and lunges) a day. Remember: These aren't supposed to hurt! Take it easy, don't bounce, and don't forget to breath. Muscles need oxygen to loosen up.

Endurance:

Build your endurance by committing to consistent exercise. For a stronger heart and lungs, start with twenty minutes of aerobic exercise three times a week. As endurance increases, so should your workouts. To build muscular strength, spend thirty minutes three times a week doing calisthenics, like situps. Add reps as you grow stronger.

DRAMA CLUB BUSY WITH FINAL PRODUCTION

As our Drama Club draws closer to its biggest--and final--production this year, plans for new activities are being set in motion. For instance, at the club's May meeting, next year's officers will be voted on. Jamey Brown, this year's vice-president, will automatically inherit the office of President. The ballots look something like this:

Vice President- Kara Swayne, Shane Milton, Lori Johnson, Jennifer Woods, and Richard McClellan

Treasurer- Ryan Arey

Clerk(s)- Cori Hanna, Nikki Swayne, Cara Stepp, Kara McElwee, and Sarah Felts

Also, after a year-long hiatus, the PHS branch of the International Thespian Society (ITS) is finally coming together. ITS is an "Honor Society of Actors," who have to meet certain qualifications, as well as tally a number of "Thespian points" to be accepted. With this year ending, as some Drama Club members meet the requirements, they will be able to encourage those that follow to do the same. Drama Club sponsor, Ms. Hohn, said, "It is a great way to get drama members into theater; not just in high school, but for college and beyond. It's a great first stepping stone."

Finally, the Drama Club will be holding another raffle for the Longaberger Basket, valued at \$45. Members hope the fundraiser will do well for the first-year Drama Club.

NHS MAKES PLANS

On April 14, National Honor Society held a meeting to decide on the stoles that will be worn during the graduation ceremony this year. The decision was made to buy new ones with the money from a fundraiser. The stoles will be returned and used for next year.

We also discussed the possibility of having a cookout at Serpent Mound with Beta Club.

L to R: Warren Lewis, John Newman, Terri Cruea, and Nick Gammon.

FFA REWARDED FOR COMMUNITY SERVICE

The Peebles FFA was awarded \$150.00 for their community service activities during the 1996-1997 school year. The money was donated by the Peebles Lions Club at a special meeting held on March 13th at White Star Restaurant. Contributions were also made to the Peebles FHA and a local Boy Scout Troop. Contributions for the Peebles FFA Chapter were accepted by: Advisor, John Newman, Treasurer, Terri Cruea, and Vice-President, Nick Gammon.

Many acts of community service were taken on by FFA members this year. These acts consisted of setting up the petting zoo and animal display during the 1996 Old Timer's Day Festival and helping with the Ag Olympics. We also helped with the tractor pull and the moving of bleachers from the Adams County Fair Grounds to Peebles for the festival.

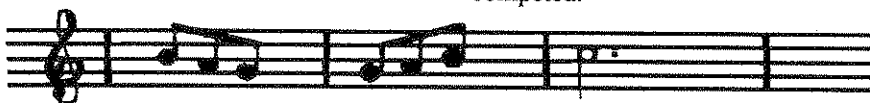

Many thanks go out to the Peebles Lions Club for all of their support over the years.

CHOIR LETS HAIR DOWN AT NASHVILLE

At 4:00 A.M. on Friday, April 16, 73 very tired choir students, along with their chaperones, boarded a bus and went to Nashville, Tennessee, for the weekend. Mrs. Greene, our choir teacher, said, "It's great that we can do this now. We've been getting ready for this trip the entire year, and my students are really looking forward to it." Mrs. Greene went on to say that she is hoping this trip, or another like it, could become an annual event.

The group toured President Andrew Jackson's home, the Country Music Hall of Fame, and Studio B--a popular recording studio for some of today's hottest country artists. The Nashville trip wasn't all fun and games, however. The group also went to compete against four other choirs from across the country.

They stayed two days at the Opryland theme park, where a party was held for them and the other four choirs that competed.

SPORTS

GIRLS H.S. TRACK

The girls high school track team received 2nd place on April 15, 1997 at Piketon High School.

Amber Ison
2nd Place High Jump

HOROSCOPES

TAURUS (April 21-May 21)

Feelings of love, especially toward family and friends, will hit you hard this month. Taurus is favored by Cupid, so don't be surprised if you develop an unexpected crush. UNLUCKY DAY: 14, LUCKY DAY: 21.

GEMINI (May 22-June 21)

A little time out helps to recharge your energy, so you can deal with all the social issues that's going on in your world. This month will be full of celebration and fabulous fun is headed your way. UNLUCKY DAY: 2, LUCKY DAY: 3.

CANCER (June 22-July 23)

Get set for good fortune, happiness, and success combined with loads of surprises. Romantic prospects are a possibility. A lucky star shines over you this month. UNLUCKY DAY: 10, LUCKY DAY: 22.

LEO (July 24-August 23)

A sense of mystery surrounds you this month. You may desire to develop your imagination on a great journey. May the force be with you! UNLUCKY DAY: 13, LUCKY DAY: 8.

VIRGO (August 24-September 23)

Make a wish, keep it to yourself, and wait for it to come true. This month you will help others around you and spend more time with seniors and young children. UNLUCKY DAY: 15, LUCKY DAY: 9.

LIBRA (September 24-October 23)

Shift your focus to long- and short-term goals. Physical work and determination will get you what you want. Work hard and the power force of this month will deliver. UNLUCKY DAY: 11, LUCKY DAY: 23.

SCORPIO (October 24-November 22)

Power and good vibes are on the overflow this month. It's a time of luck that springs from your own effort and spirit. Make it work for you and go for the gold in yourself. UNLUCKY DAY: 1, LUCKY DAY: 30.

SAGITTARIUS (Nov. 23-December 21)

Restlessness and freedom from restriction will make you feel ready to set sail. Big and little changes are part of this experience so be ready for an action packed month. UNLUCKY DAY: 16, LUCKY DAY: 28.

CAPRICORN (December 22-January 20)

A new friendship will bring you much fun and may develop into a long-term, loving relationship. Family togetherness improves this month and your life will go smoothly. UNLUCKY DAY: 12, LUCKY DAY: 31.

AQUARIUS (January 21-February 19)

Social activities will deliver extra perks to you this month. A new love relationship is very likely, so be prepared for anything. UNLUCKY DAY: 5, LUCKY DAY: 18.

PISCES (February 20-March 20)

Things could start to get hot and heavy with your special someone. If you're not completely with it, follow your head, not your hormones. UNLUCKY DAY: 27, LUCKY DAY: 21.

ARIES (March 21-April 19)

Your best bud could use help and commitment this month. Follow through on your promises even if it's a pain. Don't get stressed; just do one thing at a time. UNLUCKY DAY: 28, LUCKY DAY: 7.

Summer School Planned

Need To Make Up Credit? Sign Up Now!

Summer school will be offered to all students this summer at no charge to the students.

The following format will be used:

1. 9-12 students could make up a class failed (1/2 or 1 credit). Thirty hours are required for each 1/2 credit.
2. Students that had excessive absences could be required to attend summer school to receive their credit (K-12)
3. Intervention for K-6 students who would benefit from summer instruction.
4. Intervention for 7-12 students who have not passed all parts of the 9th grade tests.
5. Summer school is not being offered to receive credit for the first time a course is taken, as this would require twice the number of hours of instruction.

High School (7-12) Summer School

High school summer school is for making up a failed class or to reinstate credit that was withheld due to excessive absences.

It is stressed that students must attend all sessions. If the student misses a session, the time must be made up. The reason for this is that a minimum number of hours is required to make up credit.

Dates of summer school are June 9 through July 8 (no classes on July 3 and 4). Summer school for all high school students will be held at West Union High School from 9:00 A.M. to 12:00 Noon each day.

In order to receive credit, students must attend all sessions. Students refusing to cooperate or creating a disruption will be told not to return.

Attending summer school to receive lost credit due to excessive absences.

Number of trimesters with excessive absences- (PHS and MHS) 7 days of summer school required for each trimester or 20 days for all three (3).

Number of semesters with excessive absences-(NAHS, OVVS & WUHS) 10 days of summer school required for each semester.

Super Start Program For Seniors

The Southern State Community College Trustee's Super Start Summer Scholarship is designed to assist students in beginning their college experience. In order to receive the scholarship, you must have graduated from a high school or vocational school in Adams, Brown, Clinton, Fayette, or Highland Counties in the Spring prior to your enrollment at Southern State. The recipient must also have attained a grade point average of 2.5 or better; grade point averages are not rounded up for this scholarship. You

must also be registered for a minimum of 6 credit hours or a maximum of 15 credit hours during the Summer Term. The scholarship will cover the cost of tuition and fees; all other charges (lab fees, supplies, books, and application fees) are the responsibility of the student.

Priority deadline for this scholarship is June 1.

Application Procedures

Complete and submit the Trustee Super Start Application along with; a high school transcript with a grade point average included and return application and all other materials by June 1 to:

Financial Aid Office
Southern State Community College
100 Hobart Drive
Hillsboro, Ohio 45133

See Mr. Branham for an application.

Counselor's Corner

9th Grade

Proficiency Testing

Twenty hours of instruction will be provided to those students who would like to take the 9th grade test this summer. The dates are July 28, 29, 30, 31, and August 1, 4, 5, and 6. The test will be administered on August 7. Students will be required to attend at least 10 hours of instruction to be permitted to take the test. This tutoring and test administration will take place in the four home high schools.

To be eligible to take the test on August 7th, students must attend a minimum of 10 hours of intervention. Transportation is the responsibility of the parent.

See Mr. Branham to register.

Test Dates Coming Up

Registration for ACT	- May 16
Test Date ACT	- June 14
Late Registration ACT	- May 30

Registration SAT	- May 2
Test Date SAT	- June 7
Late Registration SAT	- May 3-14

Receive Scholarships

Several seniors have already been awarded scholarships. They are as follows:

Bo Nelson

- ▶ Provost Special Scholarship-\$11,200 annually from Case Western Reserve University.
- ▶ Wal Mart scholarship, and the Ohio Academic Scholarship -- \$2,000 annually for 4 years.
- ▶ Bo has also been excepted into the Pre-Professional Law Program at CWRU.

Lauren Worley

- ▶ \$1,000 Scholarship from Kent State University.
- ▶ \$1,000 Scholarship from McDonald's

Kara McElwee

- ▶ \$2,500 annually from Southern State Community College

Deborah Swayne

- ▶ Fully paid tuition and books for Shawnee State University for 4 years.

Regina Smalley

- ▶ Fully paid tuition and books for Shawnee State University for 4 years.

Beth Armstrong

- ▶ Ohio University Scholarship

Molly Stine

- ▶ Scholarship package totaling approximately \$18,000 annually from Kenyon College.

Jeffrey Swayne

- ▶ Scholarship package totaling approximately \$19,000 annually from Kenyon College.

Brianne Brown

- ▶ University Challenge Scholarship from Capital University for \$2500 annually.

Actors Needed For Saturday-On-The-Square

On Saturday, May 24, a play will be put on in West Union during "Saturday on the Square". The play will be set back in a 1912 school house. The play committee is looking for students to volunteer to act in the play.

The parts include a teacher, students of all ages, and a few people that can sing well (the play doesn't include a lot of hard lines to remember). The name of the play is still not set.

If you are interested in acting or just have some good ideas, please see Miss Fulton.

Top Ten Things We'll Miss About This Building

10. Looking at the pictures in the hallway and seeing how dorky our teachers were 20 years ago.
9. Using the trophy cases as mirrors.
8. Doing so many activities in the gym at once; that is, a student can't be in phys. ed., play in the band, and eat--all in the same lunch period.
7. Working in a science room that consists of "MacGyver Labs," such as taking a paper clip, a bag of kitty litter, and a roll of Saran Wrap and trying to construct a car battery.
6. Having our heat controlled by people in Atlanta who have no idea what the temperature is in Ohio.
5. Tip-toeing over the 7th and 8th grade "refugees" in the junior high hallways.
4. The aroma of cheap Marlboros that are our bathroom's trademark.
3. The murals in Ms. Faulkner's room; after all, the Joker isn't on any wall in the new school.
2. The colorful language carved in our walls and desks, telling us where to go, what to do when we get there, and where exactly we can "stick" school.
1. Miss Fulton.
